

STRATEGIC BEHAVIORAL CENTER

— CHARLOTTE —

1715 Sharon Rd. West, Charlotte, NC 28210 • 704-944-0650

Psychiatric Residential Treatment (PRTF)

- Strategic Behavioral Center – Charlotte provides long-term treatment in a secure facility for youth ages 12- 17, who have a DSM V Psychiatric Diagnosis and are experiencing serious mental health or behavioral problems that impair their ability to participate in their schools, their communities, and in their home environments.

Trauma-Focused Cognitive Behavior Treatment

- Strategic Behavioral Center-Charlotte offers therapy designed to treat different types of traumas.
- Adolescents can experience or witnessed physical, emotional, or sexual abuse. Others have lost an important family member or the only home they have known. Any of these experiences can result in a trauma significant enough to require special therapy.
- The therapists at Strategic Behavioral Center-Charlotte know how to recognize the signs of trauma. They have been trained to treat adolescents who have symptoms of trauma.
- Strategic Behavioral Center provides the environment for adolescents to return to school and their community ready to resume participation in normal teen activities.

Strategic Behavioral Center also offers facilities in:

- Raleigh – 3200 Waterfield Rd., Garner, NC 28529
- Wilmington – 2050 Mercantile Rd., Leland, NC 28451
